

PARENT CONTACT AND COMMUNICATION

Please review the contact information that you have provided to the school on Power School

<https://absis.ab.mec.edu/public/home.html>.

This emergency contact information is critical to the front office, the teachers, and the school nurses. If your child has a medical condition, the nurse needs to be able to contact you. Often it is necessary for students to be picked up promptly. Parents/guardians must be able to pick up a child within 30 minutes of receiving a call from the nurse's office. If you are unable to be here within that time frame, please make sure you have designated a trusted adult who will be able to come. Children may not remain in the health office for extended periods of time for their own safety and the safety of others.

Thank you in advance for your consideration.
